VITALITY OF YOUR PARISH AS COMPARED TO OTHERS IN REGION 9

The following is an attempt to celebrate and challenge. We use two basic measures of parish aliveness. One is Individual Formation of persons in the parish to improve and energize their participation and involvement in their parish mission. The other is the Community involvement in group actions to better the larger community and to promote the mission of the parish.

A Community Information

Definition: Activity of persons joined with others responding to needs in the community.

Scoring: 1. Community, group activity directed at structural change: 25 points

2. Advocacy for public policy change: 20

3. Works of Charity, Mercy, Welcoming: 15

Notes: A perfect score is 90 based on the following activities:
