

# KACHIN FARM

**Hi, welcome from Kachin Farm.**

We live in Prairie Village in Louisville. We are very happy to plant vegetables with friends.

This is the only thing that we want to do, because we are descending from farmers from generation to generation.

Our forefathers or grandparents have been living in the countryside of Myanmar making farms until now, our generation.

We wish that you visit our farm at 3130 Millers Lane in Louisville, Kentucky. You can find our vegetables for sale at Beechmont Open Air Market on Saturdays, 8:00am to 12:00pm. The address is 348-398 W Wellington Ave. Thank you!
