

Spread Holiday Cheer with Christmas Cards for Seniors

Christmas is a season of joy, but for the 60% of Kentucky's nursing and care homes residents with no outside visitors, it can be a season of sadness.

Catholic Charities of Louisville's Long-Term Care Ombudsman Program wants to collect, write and deliver holiday cards to more than 10,000 residents through the region, both young and old.

Cards can be new, homemade, or even unused holiday cards from previous years! Feel free to write a small note inside. Great for families, religion or art classes, outreach groups and more.

Collection boxes can be set up in parishes and schools starting November 15.

Please count and deliver to Catholic Charities at 2911 S. 4th St. by Monday, December 6.

Contact Moira Brennan mbrennan@archlou.org or 502-965-8303 for questions and to arrange drop off.

Please count the number of cards prior to drop off.

(May be an opportunity to help with delivery - TBD - many locations are outside of Jefferson County)
