

Presents with a Purpose Wish List 2021

We're so excited to celebrate Christmas with the Catholic Charities family. In order to provide the best Christmas possible for clients, we are only accepting **NEW** items for Christmas donations. We are also asking all presents be donated **UNWRAPPED**. Families are going to be shopping for themselves or being shopped for and items need to be visible so they can get the items best for their family.

Programs supported through this event are Sister Visitor Center, Family Support Services, Migration and Refugee Services and Bakhita Empowerment Initiative (human trafficking).
