Name

When I fled from home, I brought

with me.

Did you keep your special item throughout the entire simulation?	How did you feel when you were crossing the border?
If no, what happened to it?	
	How did you feel when you were at the different stations? How did your feelings change throughout the experience?

Additional writing space	Which part of the simulation was most frustrating to you?
	-
	-
	What was the worst part of the refugee camp experience?
	-

What was the best part of the refugee camp experience?	Share one idea for how to support refugees in your community.
Name one thing that you learned about refugees today.	Name one way that this experience will change your thoughts or behavior moving forward.
