

Taste Test and Order Lunch for a Good Cause

Need new catering options for events?

Need take out for dinner?

Catholic Charities of Louisville's Common Table can be the answer.

Let us visit your office to share our catering and soup subscription menus.

How Taste Testing Works

What: We bring samples of our delicious catering menu and soups for your staff to taste test. One hour allows for menu presentation, tasting, and question/answer session.

When: You decide.

Where: Your office or our kitchen.

All we need is an 8' table for the display and enough space for your staff to enjoy!

Who: ANYONE. Administrative assistants, event planners, community relations staff, or just some hungry team members.

WHY!

**You have to eat...
make a difference
when you do!**

Give Back: A donation to cover tasting costs is greatly appreciated. It provides support for our culinary training program which empowers students to pursue meaningful careers in the culinary arts.

Students provide tasting at Brown Forman.

Book a Tasting

Contact commontable@archlou.org
or 502.637.9786

Sample items and portions will be discussed during the planning phase.
