

# *Walking with Moms in Need*

Through *Walking with Moms in Need*, Catholics can help vulnerable women find support in welcoming and caring for their children.

With the help of others at St. Patrick, you can make a difference in your community!

## **What is it and how can you help?**

*Walking with Moms in Need* is a national Catholic initiative that aims to...

- ✓ Create a network of support for expectant mothers
- ✓ Offers help finding local resources and educating *Moms in Need*
- ✓ Helps parents navigate self-care, relationships, parenting and family wellness

## **Walk with a *Mom in Need***

*"Expecting a child without support can be a scary, overwhelming and challenging experience."*

We offer tangible support, encouragement - and we walk with them - to help mothers on their journey towards building a happy, holy, self-sustaining family. We help them see their own dignity and worth as a child of God.
