CATHOLIC CHARITIES OF LOUISVILLE, INC.

MISSION STATEMENT

Catholic Charities of Louisville serves people in need, especially the poor and oppressed. Consistent with the principles of Catholic social teaching, we build bridges of hope, mercy, and justice as we accompany struggling families and individuals to greater self-sufficiency, one relationship at a time. We collaborate and advocate for necessary changes in social policy. We call the local Catholic Church and others of goodwill to engage in acts of mercy and justice. We support and resource our 110 parishes to expand this work across the 24 counties that comprise the Archdiocese of Louisville.

ACCOMPLISHMENTS

Because of you, a family facing an overdue utility bill could keep the lights on. A homebound neighbor had a meal brought to their door. Someone looking for work had help finding a job. These are some of the ways your generosity reached our neighbors across central Kentucky in FY26.

With your support, we provided $399,406 in emergency rent and utility assistance to 1,246 households through Sister Visitor Center. We served 991 households at Father Jack Jones Food Pantry on the Holy Name Church campus near Churchill Downs. Through our Bardstown outreach ministries, we delivered 17,723 meals to homebound neighbors and provided 3,650 nights of emergency shelter.

Because you invested in our neighbors' futures, we served 5,896 people through Migration and Refugee Services, and helped job seekers secure 513 job placements. Immigration Legal Services provided free or low-cost legal and documentation services to 1,799 clients, including 383 children. Our Language Services team served 134 local businesses in 51 languages and completed more than 17,479 interpretation assignments.

Your generosity helped us stand alongside neighbors during some of their hardest days. The Bakhita Empowerment Initiative supported 69 survivors of human trafficking and provided more than $130,000 in financial assistance. Our Long-Term Care Ombudsman program worked with partner agencies during emergencies that displaced 96 residents from the facilities which are their homes. We also oversaw a facility closure and the transfer of 24 residents.

Common Earth Gardens supported 543 farmers and gardeners who worked 637 plots across 22 acres in Louisville. And 425 of you gave your time as volunteers, contributing 22,851 hours of service across Catholic Charities.

Whether you gave your time or made a gift, we were there when someone needed a hand, because you were there beside us. Thank you for caring for our neighbors through Catholic Charities.
